

# Who are the Vlachs?

## THE NAME:

From velazo, felachos or Ouolkai...  
The etymology is still disputed!

## THE ORIGINS:

There are different opinions: from Greece, Italy or Romania.

## SETTLEMENTS:

On a map it's easy to watch where the Vlachs are in the Balkans: everywhere!

## LANGUAGE:

A Latin language in the Balkans...  
already interesting!

## ECONOMICS:

So many different activities, but  
the greatest part related to  
animals.

## RELIGION:

Orthodox Christianity, and a great  
devotion to Prophet Elias.

## INTERVIEWS:

Three different people from three  
different places, but all of them are  
Vlachs.
